Boone County and the City of Florence offer

Christmas Treecycling

Pick up service
Wednesday, January 5, 2011

Between the hours of 7:00 a.m. and 5:00 p.m., Boone County Public Works and City of Florence Public Services will run their snow routes to pick up your Christmas Tree curbside. Please have your tree set out no later than 7:00 a.m. The trees will be taken to a collection point and mulched.

Remember, if our crews must run snow routes to treat roads that day, tree pickup will occur the day after the roads have been cleared.

If you would like mulch, please call our office at 334-3151 to make arrangements to pick up mulch at the Boone County Public Works facility.
